SCHOOL SITE COUNCIL ELECTIONS
2010-2011

April 22, 2010

Dear Croce Parents,

Each year the Croce School Site Council holds an election to fill vacancies for parent representatives on the Council. School Site Council members serve a two-year term. Each year we elect two parent representatives and the parent representatives elected in the previous year continue for another year. This year we have three parent representative seats available, two 2 year seats and one 1 year seat.

The School Site Council includes teachers, parents, and the principal. Each group selects its own participants. Teachers choose teachers, parents choose parents. Each school in our district develops a Single Plan for Student Achievement. The School Site Council (SSC) plans, implements and evaluates this plan. The Council also has the responsibility to budget and monitor **S.L.I.P.** funds at Croce.

The Croce School Site Council meets on the first Monday of the month from 3:10 to 4:30 p.m. in the Conference Room.

Serving on Croce's SSC is your chance to have a direct influence on your child's education. You will also learn about the school and meet other interested parents. Your total time commitment for the year will be less than twenty hours. It's a small investment of time for a very important role at our school. Become a candidate and let your children and the Croce community know the value you place on education. Please return the form below to the Croce office no later than **Friday, April 30th,** if you would like to be a candidate. We will have our School Site Council parent representative elections at Open House on May 20.

If you have any questions about School Site Council, please call me at 606-4706.

Sincerely,

Shari Johnston
Principal
