DISTRIBUTION OF MATERIALS THROUGH STUDENTS, ADVERTISING AND PROMOTION

The Governing Board desires to promote positive relationships between schools and the community in order to enhance community support and involvement in District schools. The Superintendent or designee **may** approve:

- Distribution of non-commercial materials that publicize services, special events, public meetings or other items of interest to students or parents/guardians.
- Distribution of promotional materials of a commercial nature to students or parents/guardians.
- Paid advertisements on school property, including but not limited to billboard advertisements.
- Paid advertisements in school-sponsored publications, yearbooks, announcements, and other school communications.
- Products and materials donated by commercial enterprises for use in the classroom as long as they serve an educational purpose and do not unduly promote any commercial activity or products. Such materials may bear the name and/or logo of the donor.

Prior to distribution or publication, the Superintendent, principal, or designee shall review and approve all advertising copy and promotion materials to ensure compliance with Board Policy. The material will be approved for (placement in one of two binders at the school site):

- Inclusion in the front office activities binder available to parents and students;
- Inclusion in the staff room(s) binder available to all personnel.

Note: Distribution of materials at the school site is at the discretion of the principal who may deem alternate distribution appropriate.
